

Thermal Transfer Printers

Whatever your application we can supply a printer to suit. The following industrial thermal transfer printers are our recommendations from each manufacturer.

We can offer the full range of printers from all of these manufacturers including the latest RFID products and pricing is available upon request.

Sato Printers

Our choice for performance and price, offering all the features needed for high quality small part identification (PCB's & Components), finished product labels (Rating Plates) and large/medium volume label production applications.

GTe408e - 4.1" 203dpi printhead with print speeds up to 12"/sec.	£ 1,320.00
GTe412e - 4.1" 305dpi printhead with print speeds up to 12"/sec.	£ 1,540.00
GTe424e - 4.1" 609dpi printhead with print speeds up to 12"/sec.	£ 1,930.00
CL408e - 4.1" 203dpi printhead with print speeds up to 6"/sec.	£ 1,025.00
CL412e - 4.1" 305dpi printhead with print speeds up to 6"/sec.	£ 1,240.00
M-84PRO - 4.1" 305dpi printhead with print speeds up to 8"/sec.	£ 2,130.00

Zebra Printers

The very latest Xi range of printers from Zebra offer exceptional print performance, whilst the Z4M & TLP3842 budget printers are perfect for low/medium volume applications.

110XiIII Plus - 4.1" 300 dpi printhead, with print speeds up to 8"/Sec.	£ 1,750.00
110XiIII Plus - 3.2" 600 dpi printhead, with print speeds up to 4"/Sec.	£ 2,745.00
Z4M Plus - 4.1" 300 dpi printhead, with print speeds up to 6"/Sec.	£ 895.00
TLP3842 - 4.1", 300 dpi printhead, with print speeds up to 2"/Sec.	£ 395.00
TLP2844 - 4.1", 200 dpi printhead, with print speeds up to 4"/Sec.	£ 275.00

Datamax Printers

The Datamax I-Class printers are ideal for small part labelling such as bar coding of PCB's and components and are available in a wide range of print densities.

DMX-I-4308 - 4.1" 300 dpi printhead, with print speeds up to 8"/Sec.	£ 1,050.00
DMX-I-4406 - 4.1" 400 dpi printhead, with print speeds up to 6"/Sec.	£ 1,495.00
DMX-I-4604 - 4.1" 600 dpi printhead, with print speeds up to 4"/Sec.	£ 2,225.00

These are just a few of the printers available from each manufacturer, in addition we also offer the full range of Intermec and TEC printers; please contact us for pricing on a specific model.

All pricing excludes VAT & shipping.
